The Southeast Louisiana Council, Boy Scouts of America's Annual Golden Eagle Lunch recognizes individuals and organizations that make significant contributions to communities in Jefferson, Orleans, & Plaquemines Parish. Scouting teaches youth to lead and serve causes beyond themselves. The Golden Eagle Award recognizes those who embody this in service to the community.

**The Southeast Louisiana Council, BSA serves 11 Parishes including Jefferson, Orleans, & Plaquemines Parish.** Young people face many challenges on their path to becoming productive participating citizens. Scouting programs help them navigate those challenges and strengthen character. These programs exist because of the generosity of communities we serve. Join us for our annual Golden Eagle Lunch. **Please consider helping youth by joining us this year and becoming an investor in local Scouting!**

A few facts about Scouting in the Southeast Louisiana Council:

- Local youth participated in 6 major programs last year. This includes Cub Scouts, Scouts BSA, Venture Scouting, Sea Scouts, and Career Exploring.
- Scouting programs help build character and confidence for thousands of young people each year.
- Scouting provides a safe environment for youth to learn and grow into responsible adults.
- Scouting teaches youth valuable life skills such as personal management, goal setting, citizenship, peer leadership, first aid, cooking, and lifelong fitness.

**RSVP with the attached form to Juan Prado ([juan.prado@Scouting.org](mailto:juan.prado@Scouting.org)). The Lunch is free to attend, an ask for support will be made at lunch. Event will be held on Friday, September 5th at 12:00pm, doors open at 11am**
