MISSION STATEMENT

The Mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

SCOUT OATH

On my honor, I will do my best...

To do my duty to God and

my country and to

obey the Scout Law;

To help other people at all times;

To keep myself physically strong,

mentally awake and

morally straight.

SCOUT LAW

A Scout is: *Trustworthy, Loyal, Helpful, Friendly, Courteous, Kind, Obedient, Cheerful, Thrifty, Brave, Clean and Reverent.*

OUR VISION

We are known for our values, which are defined by the Scout Oath and Law.

Community organizations join in partnership with Scouting because we are known as major contributors to the development of future citizens of good character.

Our youth members have become the leaders in their community and now join with the Scouting Alumni who continue to make a difference.

But most of all, kids and their families come to us for a great time and for adventures that will be remembered for a lifetime.

DOES SCOUTING WORK?

Scouting was put to the test over a course of 3 years when Tufts University worked with the Boy Scouts to measure character attributes of both Scouts and non-Scouts. Funded by the John Templeton Foundation, nearly 1,800 Cub Scouts and nearly 400 non-Scouts under age 12 were measured using both interviews and survey data. The differences were striking in several areas:

With fun and discovery at every turn, Scouting makes the most of right now. But what's more, it builds positive character and provides young people a foundation they can stand on to embrace opportunity, overcome obstacles, and make new discoveries.

SCOUTING WORKS.

For information about the Tufts University study findings and how Scouting builds positive character, please go to the council website, www.bsa-selacouncil, and click on the link.

KEY FINDINGS:

 The more time kids spend in Scouting, the **better the outcomes** in character development

 **Those who attend meetings regularly report higher outcomes** virtually across the board when compared to Scouts with lower attendance

 Scouts are more likely to embrace **positive social values** than non-Scouts

 Scouts who are **more engaged** in the program report higher outcomes in nearly every category
