

100th Anniversary Camperall Frequently Asked Questions

Q: What is the deadline to Register?

A: Early deadline is March 24th. Late Deadline is April 5th. NO registration will be accepted after April 5th.

Q: Can I register an entire unit or is registration just by individual?

A: Registration can be accomplished either way. The registration page allows you to register anywhere from single individual to the entire unit. It also gives you the opportunity to register to participate as a Staffer for the event. T-shirt purchases (if desired) are also made when you register.

Q: How much does it cost?

A: Camping Friday & Saturday - \$25 per person, Saturday Day Only - \$20, Late Registration Fee - \$40 per person Camping or Day only

Q: What if I only want to attend during the day on Saturday?

A: That is a great option if you don't feel like camping. Register for that option then come up Saturday morning to enjoy the event. Pack a picnic lunch and dinner and have fun. Don't forget to stay for the closing program on the levee.

Q: Is there a t-shirt available this year?

A: Yes – Cost is \$15 for youth sizes and \$18 for adult. There will be a few additional shirts available for purchase at the Trading Post the day of the event but if you really want a shirt, it would be better to order them in advance.

Q: How will the event work?

A: Activities for all levels will be available throughout Camp VBar. All Activities will be first come first served. Scouts will be able to participate in the activities they wish with no rotation schedule. Some activities will be available to only Cubs or only Scouts BSA and above. The Event Program will have more specific information.

Q: Are there any special programs offered?

A: We will have a special dedication for the 100th Anniversary; presenters and performances in the Council Ring throughout the day; friends of our program that are supporting the event with additional activities such as Gulf Coast Search & Rescue Dogs, Sgt. Joe Kelly Freedom Pen Foundation, NASA, and many more. A special "Girls in Scouting" retreat will be available to all our female Scouters. Last but not least, our 100th Anniversary Council Museum will be open in the Training Center.

Q: Will there be any competitions during the event?

A: There will be three opportunities (see Guidebook for more information):

1. Tug of War Competition – Cub, Scouts BSA and above as well as adult categories
2. Cobbler Cookoff open to everyone including adults

3. Scouts BSA Troops will also be able to participate in a special “Camporee” style competition during the event.

Q: The Guidebook says we must have our Unit Trailers in camp before 6:00. What do we do if we can't make it there by that time?

A: The Guidebook has been updated to an arrival time of 7:15. This allows you to arrive before dark. The reason behind this time is to provide for being able to safely park the trailer in the campsite before dark and before too many of the tents have been set up. If you cannot make it to camp with your trailer before 7:15, you must contact one of the co-chairs to make special arrangements.

Q: Our Pack and Troop share many adults in common and the Guidebook says that we will not be camping together but in separate locations. This will make it difficult for both units to attend. How will this issue be addressed?

A: The Guide to Safe Scouting regulates that “unregistered adults cannot camp with Troops.” However, Packs camp as Family units with unregistered adults. To accommodate our “crossed” units but adhere to the Guide to Safe Scouting, we will set your units up in separate campsites that are in close proximity to each other so that leadership can still participate with each unit. Please encourage all attending adults to take YPT training so that they are aware of the regulations.

Q: Will there be food available for purchase?

A: Due to the numbers attending the event, the dining hall will not be open to units, but only for Staff. However, we are trying to arrange to have food trucks available to offer lunch to those who wish to purchase their meal from the trucks rather than cook in camp. Some simple items are always available in the Trading Post.

Q: Please explain the trading cards? Not sure what we are supposed to do.

A: Many of the activity areas will have a trading card for the participants to collect as they go around during the day. There will also be special cards available from certain personnel at the event. We encourage units to develop their own trading card (on business card stock) so that their Scouts can trade with Scouts from other units. In the end, Scouts will have a cool collector's item from the event.

Q: Where can I find more information about the event?

A: Download the 100th Anniversary Camperall Guidebook from the Council website. Be sure to check back periodically as we will be updating the Guidebook as more activities and events are finalized.
