

## **Want to be a Campmaster?**

What is a Campmaster?

A Campmaster supports units that will be using Salmen Scout Reservation on the weekends from Friday evenings through Sunday.

If no units/private groups are scheduled to use the Camp, a Campmaster is still needed to stay at Salmen Scout Reservation to deter any unauthorized entry and activity at the camp.

If you are interested in serving as a Campmaster, please complete the attached application and return it to the Southeast Louisiana Council Service Center.

In service to Scouting,

Christopher Blohm

Southeast Louisiana Council Campmaster
