4. Personal information provided at the top of the form will be used to conduct a search in the Sex Offender Registration database to meet this state requirement.

The system used for the criminal background check will also conduct a check in the sex offender database. Both searches will be conducted at one time in our office, so there is no need to attach searches done by the unit.

5. As of January 1, 2018, ALL adults participating in a BSA accredited camp MUST have a criminal background check (conducted annually) in order to determine if any person may be precluded from participation in a state licensed camp based on the results of this check.

The National Office of the BSA has arranged for councils to conduct these background checks for all participants of their summer camp programs.

By signing and submitting this application, you are authorizing a criminal background check and a search in the Sex Offender Registration database of yourself. This check will be made from public record sources. You also confirm that the information provided and attached to this form is true and not falsified in any way.

You must also sign the Disclosure & Authorization Form Attached.
