

BOY SCOUTS
OF AMERICA®

Dear community supporter,

The Southeast Louisiana Council, Boy Scouts of America serves more than 3,500 young people in southeast Louisiana. These young people are part of a program that helps build character and provides leadership training that will serve them and our community for the rest of their lives. The Scouting program is made possible with the support of generous individuals and businesses in our community.

This year, the Southeast Louisiana Council, Boy Scouts of America is excited to announce a groundbreaking new event to add to our annual lineup. Celebrating the role of girls and women in scouting, **The Spirit of Scouting Soirée** will recognize female members of our community who have exemplified the spirit of scouting by improving the lives of our youth. We are proud to introduce this 21 and over event as another opportunity to involve our community partners by ensuring that we can deliver the best scouting experience to the youth in every community we serve.
