"A week of camp life is worth six months of theoretical teaching in the meeting room."

- Lord Baden-Powell
Dear Scout Leaders,

Welcome to Cub Adventure Camp. Where Cub Scouts and their families experience the excitement of the festivities and learn about the world around them as they frolic in the outdoors. Memories that will last a lifetime begin the moment you start setting up your tent and will continue until you leave the campground. Dreams develop and are brought to life before your very eyes.

This campout is planned for all members of the Southeast Louisiana Council. Cub registration for this event is for all levels Lions, Tigers, Wolves, Bears, Webelos and Arrow of Light. Webelos and AOL Cub Scouts will have a special program area where a select number of pins may be worked on. We invite all leaders and parents along with Scouts BSA, Venturers, and Explorers to serve as staff.

This guide gives parents and Pack leaders the information needed to plan for camp. SIGN-UP by the early registration date to take advantage of the discounted fees per person. Information is also available at the Council Website at:

http://www.bsa-selacouncil.org/cubsummeradventurecamp

The Southeast Louisiana Council Scouters look forward to providing each of you a fantastic weekend filled with FUN, ADVENTURE, and QUALITY TIME for all families in attendance. Cub Scouts may attend with others from their Pack, other members of their den, or just their family. Life can’t get any better than what this weekend will provide between a child and his family – no matter what the combination – father/Cub, mother/Cub, total family, grandparent/grandCub. :-) Mark your calendars now, and take time to read all the information provided in this guide. “Be Prepared” to have a great time!

***Finally, Cub Scout Leaders we need 3 volunteers from each pack attending to ensure we have enough support to plan the program for this exciting outdoor weekend! ***

See you at V-Bar!

Dr. Charles “Chuck” Watkins
# GENERAL CAMP INFORMATION, DATES, FEES

**CAMP LOCATION:** Salmen Scout Reservation, Camp V-Bar is located in Southern Mississippi approximately 1 ½ hours outside New Orleans, LA. Driving directions on page Error! Bookmark not defined.

Preparation for Cub Encampment

1. An extremely important function of your planning is informing parents of Camp plans. Prior to camp, set a date and hold a parent information meeting. You will need to make copies of the guidebook and see that each parent receives a copy. There is ONLY ONLINE REGISTRATION FOR THIS EVENT. This guide includes a list of what to bring to camp, Camp Salmen policies and procedures, and a map on how to get there.

2. Arrange for transportation to and from camp. Have everyone who is going to camp meet at a central location and carpool to camp, if possible. Be sure every driver has a map to camp and the camp phone number. Share cell phone numbers, in case someone becomes separated from the group or get walkie-talkies and use them on the road and at camp. Cell phone coverage is very limited on camp property. There is no AT&T coverage but Verizon and Sprint work pretty well.

3. Have an experienced family (someone who has been to camp) mentor a new inexperienced family (someone who has never been to camp) by driving to camp together and helping to locate your assigned campsite for the weekend.

4. To help late arrivals find other members of their Pack, some leaders are setting up “Pack Number Signs” on the roads inside camp. Use real estate or political sign standards to write the Pack number on it. A fluorescent background with dark lettering shows up really well. These signs must be removed when you leave camp Sunday morning.

5. Only ONE Pack Gear Trailer (or Pack Vehicle loaded with Pack equipment) may be allowed to enter camp before 6pm on Friday. The vehicle must unload and return to the parking lot. No vehicles will be allowed to enter camp after 6pm. NO VEHICLES WILL BE ALLOWED TO REMAIN IN CAMP. This is for the safety of our large number of Youth.

6. Vehicle ID Tag: Each vehicle coming to camp should place a sign in the front windshield with their Pack Number, District Name and Campsite Assignment. We will be directing traffic to the parking lot closest to your campsite based on this signage. The ID Tag will help us to reach you during the campout in the event we need to contact you regarding your vehicle. A sample of the windshield sign is included in this guidebook.

7. Campsite assignments will be based on district registration numbers and will be provided at check-in at the entrance to camp.

8. Identification for All Children…Please Read! Parents and leaders should consider making nametags to be worn by every youth. We recommend that you include the Name, Pack number, District, and Campsite assignment on the tag, and laminate the tags for longer wear. Use a safety pin to fasten to shirts or they may be worn around the neck on a lanyard. Because so many are wearing the same uniform, it is easy to lose track of your child. If you become separated from your child at any time, the nametag will provide accurate identification and campsite location information. This will expedite the relocation of “lost” parents.

9. Pack T-shirts: Some Packs have purchased their own T-shirts, using either a standard or a custom design logo and the pack number – this helps identify your group in a large crowd.

10. A “What to Bring Checklist” is included in the appendix. This list is meant as a guide. Use your judgment in choosing what to bring to camp
PARKING TAG
Southeast Louisiana Council  FALL ENCAMPMENT

This vehicle parking tag must be displayed on the dashboard at all times
It will help us to reach you during the campout in the event we need to contact you regarding this vehicle

NAME ________________________________

UNIT TYPE AND NUMBER ____________________

DISTRICT ________________________________

CAMPSITE (if camping) ________________________________
PROGRAM DETAILS

SHIP/CASTLE, CHAPEL, AND COUNCIL RING

Castle Wars

A 1

Lay Siege to the castle, and bombard the defenders. But watch out, the defenders can take your boulders and hurl them back at you!

Mouse Trap Fishing

A 1

Scouts will work together to use fishing poles in order to catch as many mouse traps as possible, to clear a path to their next challenge!

Cub Javelin Throw

A 1

The javelin was part of the pentathlon of the Ancient Olympic Games beginning in 708 BC in two disciplines, distance and target throw. Our custom-made V-Bar javelins are thrown for accuracy at hula-hoops, at a distance of about 12 dichas (about 6 feet using modern measurements).
ADMIN BUILDING TO WATERFRONT

**Webelos Program**

Special Webelos program area where a select number of pins will be able to be worked on.

**Boat Race**

No Swim Check needed for this boat race! Slide the dinghys across the field in this fast-paced land-yacht race.

**Ring Toss**

All the best carnivals have a ring toss. Practice now, and win the big prize next time you go to the fair.

**Squirt Bottle Race**

A sharp eye, steady aim, and a lot of trigger pulling are needed to win the Squirt Bottle Race. Aim at the cup, and push it along the string to the finish line.

**Stilt Walking**

You've seen jesters walking tall in Mardi Gras parades, which can be several miles long. Can you stand high above the ground and walk across the field?
DINING HALL/TRADING POST/TRAINING CENTER

Egg Drop

The egg drop challenge is an exciting Scout experiment in engineering and learning about the laws of gravity. Scouts will sharpen their engineering skills by crafting a container or apparatus to hold a raw egg, which will be dropped from a high point. The goal of course, is to avoid scrambling your egg! The only rule is that your egg protection device may not exceed 12"x12"x12". Parachutes and other innovative designs are welcome!

Parachute

Games for a chute and a Cub den: Popcorn - Everyone shakes the chute, and tennis balls bounce around like hot popcorn. Making Waves - Everyone raises and lowers their side in sequence to make waves in the parachute. Parachute Tag - Lift the chute up high, and two named Cubs try to trade places while the chute falls. Flying Saucer - Step forward and lift the chute high and let go as one. Watch as the UFO slowly floats. Turtle: The chute becomes a giant turtle shell.

Push Cart Racing

You and a buddy compete as a team, and take turns pushing each other in the custom Camp V-Bar push carts.

Tug-O-War

Compete against another Den in this test of strength. Get a solid grip on the rope, plant your feet, and pull the other team past the finish line.
SHOOTING SPORTS FIELD

Archery
(Cub, Webelos)

Become the next Robin Hood, and hit the bulls-eye at the Archery Range.

BB Gun Shooting

It takes a good aim, and a steady hand to hit the bullseye with a BB Gun.
String Burning

Learn the techniques of laying a fire while competing against the clock to build a fire high enough to burn through a string.
