LETTER FROM THE CUBWORLD COORDINATOR

Dear Scout Leaders and Parents,

Welcome to Cubworld! We are excited to welcome everyone back to Camp V-Bar for a weekend of Cub Scout Fun and adventure. We hope that by the end of the weekend your Scouts will have unknowingly learned a new skill or two, made a new friend, discovered something about themselves they never knew and gained some confidence in their abilities.

This campout is open to all Scouts, leaders, parents and siblings. Please come, camp and have a whole lot of fun with us. We are always looking for volunteers to help with activities, in the dining hall and with opening/closing programs. So, if you are a leader, parent, Scouts BSA, Venturer, Sea Scout or Explorer and wish to serve as staff please contact our Cubworld Coordinator, Tia Lopez (selacubcamping@gmail.com), for an assignment.

This guide gives Pack leaders and parents the information needed to plan for Cubworld. **SIGN-UP BETWEEN NOW AND March 16th** to take advantage of the Early Bird fees per person and to ensure that your t-shirt order is available at camp. If registering after March 16th, a Late Fee increase of \$15/person will be charged. Registration will close on March 30th. **NO** registration will be accepted after this date to insure we have enough supplies and volunteers for the event. Information and registration is also available at the Council website by clicking [here](#).

The Southeast Louisiana Council and the Cub Scout Camping Committee look forward to providing each of you with a fantastic weekend filled with FUN, ADVENTURE, and QUALITY TIME for all families in attendance. Council camping events such as Cubworld offer packs the opportunity to strengthen their program, help with retention of Scouts as well as prepare them for move up to the Scouts BSA program. Please encourage all your Cub Scouts to attend. Cub Scouts may attend with others from their pack, other members of their den, or just their family. Life can't get any better than what this weekend will provide between a child and his family – no matter what the combination – father/Cub, mother/Cub, total family, grandparent/grandCub. Mark your calendars now and take time to read all the information provided in this guide.

Do your best and have fun doing it!!

See you at Camp V-Bar!

Tia Lopez

Sample Rotation Schedule (subject to change – final will be handed out at event)

Our Program rotation for this event will be “AT WILL” – You will be able to move to whichever activity you wish to, at any time during the program time, as many times as you would like.

For Example: Your Scout is really interested in arts and crafts. They can visit the craft areas and spend as much time as they would like at them.

Although we encourage them to do so, Scouts do not have to participate in every activity area.

Program time may be undertaken as an entire Pack, as a Den or by buddies. It is entirely up to the Scouts and Pack leadership as to how they wish to participate.

If you don't read anything else in this guidebook, read these two pages please!

Preparation for Cubworld

1. An extremely important function of your planning is informing parents of camp plans. Prior to camp, set a date and hold a parent information meeting. You will need to make copies of the guidebook or download a copy from our website and e-mail it to all your parents/guardians who will be attending. **REGISTRATION FOR THIS EVENT ONLY MAY BE DONE ONLINE.** This guide includes a list of what to bring to camp, Salmen Scout Reservation/Camp V-Bar policies and procedures, and a map on how to get there.
2. Arrange for transportation to and from camp. We recommend having everyone going to camp meet at a central location and carpool, if possible. Be sure every driver has a map to camp and the camp phone number. Share cell phone numbers in case someone becomes separated from the group or get walkie-talkies and use them on the road and at camp. Cell phone coverage is very limited on camp property. AT&T coverage is limited but Verizon and Sprint work fairly well.
3. Have an experienced family (someone who has been to camp) mentor a new inexperienced family (someone who has never been to camp) by driving to camp together and helping to locate your assigned campsite for the weekend.
4. To help late arrivals find other members of their pack, some leaders set up "Pack Number Signs" on the roads inside camp. Use real estate or political sign standards to write the pack number on it. A fluorescent background with dark lettering shows up very well. These signs **MUST** be removed when you leave camp on Sunday morning.
5. Only ONE Pack Gear Trailer (or Pack Vehicle loaded with Pack equipment) will be allowed to enter camp before sundown on Friday. (If the trailer is arriving later, please let us know) The vehicle pulling the trailer must unload/unhook the trailer and return to the parking lot. No vehicles will be allowed to enter camp after 6:30 pm without special permission. **NO VEHICLES WILL BE ALLOWED TO REMAIN IN CAMP.** This policy is for the safety of our large number of youths – we do not want vehicles moving around camp after dark as the area is not well lit. All vehicles other than the Pack Gear Trailer must park in one of the two parking lots and the gear carried to campsite. A limited number of wagons will be available to help with gear transport. It is highly recommended to bring your own wagon to help transport items to the campsite.
6. **If arriving after dark**, have flashlights prepared and ready to use when you get out of your car. You will be walking with your gear to your campsite. Also, if you do not have a pack trailer and your gear is not being brought up early, you may bring a wagon or trashcan on wheels to haul your gear to your campsite.
7. Vehicle ID Tag: Each vehicle coming to camp should display a sign in the front windshield with the Pack Number, District Name and Campsite Assignment. We will be directing traffic to the parking lot closest to your campsite based on this signage. The ID Tag will help us to reach you during the campout in the event we need to contact you regarding your vehicle. A sample of the windshield sign is included in this guidebook.
8. Campsite assignments will be based on district registration numbers and will be provided at check-in at the entrance to camp. If members of your unit have special needs (such as CPAP machines in need of electricity), please note when you register so that information will be available to the Directors when assigning campsites. These assignments **CANNOT** be changed after you arrive at camp. Campsite assignments only can be changed by the Camp Director and Camp V-Bar Ranger based on

a problem with the campsite.

9. Identification for All Children **PLEASE READ!** Parents and leaders should consider making nametags to be worn by every youth. We recommend that you include the name, pack number, district, and campsite assignment on the tag and laminate the tags for longer wear. Use a safety pin to fasten to shirts or they may be worn around the neck on a lanyard. Because so many are wearing the same uniform/t-shirt, it is easy to lose track of your child. If you become separated from your child at any time, the nametag will provide accurate identification and campsite location information. This nametag will expedite the location of “lost” parents.
10. Pack T-shirts: Some packs have purchased their own T-shirts, using either a standard or a custom design logo and the pack number – this helps identify your group in a large crowd.
11. A “What to Bring Checklist” is included in this guidebook. This list is meant as a guide. Use your judgment in choosing what to bring to camp. Remember, everything you bring you must carry to and from your campsite and the parking lot.
12. Annual Health & Medical Forms – **Everyone attending camp must fill out and bring the Annual Health & Medical Form with them to camp.** These forms will remain with the campers or pack leadership (depending on your pack policies) during camp. These forms are necessary in the case of a medical emergency to provide additional information about medical conditions and medication to our Camp Health Officer or other emergency responders.
13. Please leave all electronics in your cars in the parking lot. The kids should be enjoying nature, not sitting in their tents on their devices. Also, stress to your parents that they are there to help supervise the kids and to ensure their safety. If they are always on their phones, they are of no help to the pack. We understand that sometimes it is necessary to look at one’s phone for work, family, etc., but encourage them to keep it in their pockets. Camp V-Bar, Cubworld and the Southeast Louisiana Council are not responsible for lost, or damaged phones or other electronic devices.
14. One last reminder: Closed-toe shoes **MUST** be worn by all individuals camping at Camp V-Bar. Sandals may **ONLY** be worn in the showers and may not be worn walking to and from the showers. This reminder is for your safety and the sanity of our health officer. Shoes **MUST** be worn in camp. **NO BARE OR JUST SOCKED FEET ALLOWED!**

SOME ITEMS THAT WILL BE SOLD IN THE TRADING POST:

Sodas, snacks and ice cream
Flashlights and batteries
Camp apparel and camping gadgets
Some items from the Scout shop
Some microwavable foods
Slushies
Ice is free in the Trading Post

Note to Individual Cub Scout Families: We understand that this might be your first time coming to camp or even your first-time camping. Make sure to have a BSA Annual Health and Medical record filled out for every participant. You can download the form by going to scouting.org/forms and scrolling down to the [Annual Health and Medical Record](#) and then clicking the section All Scouting Events. It is okay to come without your pack and just bring your family or just bring your Cub Scout(s).

Families must camp together, and no other children are allowed to sleep in a tent with another family. Remember, you will have to carry your gear to your campsite so you might want to bring a wagon or trashcan on wheels. Have your flashlights ready in the car if arriving after dark. **NO CARS CAN DRIVE BACK TO CAMPSITES AFTER 6:00 p.m.** Please wear shoes appropriate for walking on uneven ground.
