

Cub World 2026

Welcome to Cub World at Salmen Scout Reservation. Southeast Louisiana Council is excited to put on a great weekend of camping and fun activities for all our cub scouts and family members to enjoy. Below is a guide of some information that will assist you and your unit with having the best experience possible.

Dates and Location

Cub World 2026 will take place April 17th through the 19th 2026

Salmen Scout Reservation (Camp V Bar)

27585 V Bar Road, Perkinston, MS 39573

Costs and Deadlines

- \$15.00 per person (Scouts, Adults, Siblings)
After 3/23/26 the fee is \$30.00 per person
- Saturday meal ticket (Breakfast, Lunch, Dinner) \$25.00 per person
(check with your Pack to see if they are cooking in the campsite before purchasing meals)
- Sunday meal ticket (Breakfast) \$5.00 per person
- T-Shirts \$18.00 – **Must be purchased by 3/23/26**
- **No extra shirts will be available for sale at camp**

Theme and Program

This year's theme for Cub World is Jungle Explorers. We have put together a program to show our scouts the amazing Rainforest and

Jungles from around the world. Our goal is to for them to learn while having fun in our beautiful camp. The programs that have been put together for this event focus on conservation and the ways our scouts can be an active part of that in our world.

Once registration is closed units will be assigned a rotation of activities around camp with their packs in order to help give everyone an opportunity to do as many activities as possible.

Preparing for Camp

1. An extremely important function of your planning is informing parents of camp plans. Prior to camp, set a date and hold a parent information meeting. You will need to make copies of the guidebook or download a copy from our website and e-mail it to all your parents/guardians who will be attending. **REGISTRATION FOR THIS EVENT ONLY MAY BE DONE ONLINE.** This guide includes a list of what to bring to camp, Salmen Scout Reservation/Camp V-Bar policies and procedures, and a map on how to get there.
2. **Arrange for transportation to and from camp.** We recommend having everyone going to camp meet at a central location and carpool, if possible. Be sure every driver has a map to camp and the camp phone number. Share cell phone numbers in case someone becomes separated from the group or get walkie-talkies and use them on the road and at camp. Cell phone coverage is very limited on camp property. AT&T coverage is limited but Verizon and Sprint work fairly well.
3. **Have an experienced family** (someone who has been to camp) mentor a new inexperienced family (someone who has never been to camp) by driving to camp together and helping to locate your assigned campsite for the weekend.
4. **To help late arrivals find other members of their pack,** some leaders set up “Pack Number Signs” on the roads inside camp. Use real estate or political sign standards to write the pack number on it. A fluorescent background with dark lettering shows up very well. These signs **MUST** be removed when you leave camp on Sunday morning.

5. **Only ONE Pack Gear Trailer** (or Pack Vehicle loaded with Pack equipment) will be allowed to enter camp before sundown on Friday. (If the trailer is arriving later, please let us know) The vehicle pulling the trailer must unload/unhook the trailer and return to the parking lot. No vehicles will be allowed to enter camp after 6:30 pm without special permission. **NO VEHICLES WILL BE ALLOWED TO REMAIN IN CAMP.** This policy is for the safety of our large number of youths – we do not want vehicles moving around camp after dark as the area is not well lit. All vehicles other than the Pack Gear Trailer must park in one of the two parking lots and the gear carried to campsite. A limited number of wagons will be available to help with gear transport. It is highly recommended to bring your own wagon to help transport items to the campsite. Staff members may be available to assist with helping those in need with moving gear to their campsite if they are available but please do not bring excessive amounts of gear.
6. **If arriving after dark**, have flashlights prepared and ready to use when you get out of your car. You will be walking with your gear to your campsite. Also, if you do not have a pack trailer and your gear is not being brought up early, you may bring a wagon or trashcan on wheels to haul your gear to your campsite.
7. **Vehicle ID Tag:** Each vehicle coming to camp should display a sign in the front windshield with the Pack Number, District Name and Campsite Assignment. We will be directing traffic to the parking lot closest to your campsite based on this signage. The ID Tag will help us to reach you during the campout in the event we need to contact you regarding your vehicle. A copy of the windshield sign is included in this guidebook.
8. **Campsite assignments** will be based on district registration numbers and will be provided at check-in at the entrance to camp. If members of your unit have special needs (such as CPAP machines in need of electricity), please note when you register so that information will be available to the Director when assigning campsites. These assignments **CANNOT** be changed after you arrive at camp. Campsite assignments only can be changed by the Camp Director and Camp V-Bar Ranger based on a problem with the campsite.
9. **Identification for All Children** PLEASE READ! Parents and leaders should consider making nametags to be worn by every youth. We recommend that you include the name, pack number, district, and

campsite assignment on the tag and laminate the tags for longer wear. Use a safety pin to fasten to shirts or they may be worn around the neck on a lanyard. Because so many are wearing the same uniform/t-shirt, it is easy to lose track of your child. If you become separated from your child at any time, the nametag will provide accurate identification and campsite location information. This nametag will expedite the location of “lost” parents.

10. **Pack T-shirts:** Some packs have purchased their own T-shirts, using either a standard or a custom design logo and the pack number – this helps identify your group in a large crowd.
11. **A “What to Bring Checklist”** is included in this guidebook. This list is meant as a guide. Use your judgment in choosing what to bring to camp. Remember, everything you bring you must carry to and from your campsite and the parking lot.
12. **Annual Health & Medical Forms** – Everyone attending camp must fill out and bring the Annual Health & Medical Form with them to camp. These forms will remain with the campers or pack leadership (depending on your pack policies) during camp. These forms are necessary in the case of a medical emergency to provide additional information about medical conditions and medication to our Camp Health Officer or other emergency responders.
13. **Please leave all electronics in your cars** in the parking lot. The kids should be enjoying nature, not sitting in their tents on their devices. Also, stress to your parents that they are there to help supervise the kids and to ensure their safety. If they are always on their phones, they are of no help to the pack. We understand that sometimes it is necessary to look at one’s phone for work, family, etc., but encourage them to keep it in their pockets. Camp V-Bar, Cub World and the Southeast Louisiana Council are not responsible for lost, or damaged phones or other electronic devices.
14. **One last reminder:** Closed-toe shoes **MUST** be worn by all individuals camping at Camp V-Bar. Sandals may **ONLY** be worn in the showers and may not be worn walking to and from the showers. This reminder is for your safety and the sanity of our health officer. Shoes **MUST** be worn in camp.

Suggested Personal Equipment List

This list is meant to serve as a guide. Use your judgment in choosing what to bring to camp.

Individual Scout Equipment:

- ☐ Cash for Trading Post (**no large bills** please) (debit/credit cards also accepted)
